From the President's Desk

The primary vision of the 'Maharashtra Chamber of Commerce, Industry and Agriculture' is to protect and promote the economic interests of our members and facilitate trade in Maharashtra leading to the state's economic development.

MACCIA is the only Chamber in Maharashtra, which has deep roots in all districts having more than 800 local trade and industry associations connected to the Chamber which represents collective membership over 700,000 comprising of large, medium and small scale industries, traders, agriculturists and professionals from all over the state.

MACCIA provides a platform for policy directions to the Government of Maharashtra on various matters linked to trade, commerce, industry & agriculture for economic enhancement. Since its establishment in 1927 'Maharashtra Chamber of Commerce, Industry and Agriculture' has sought to lay an unyielding foundation for the Industrialisation and Economic growth of Maharashtra in an attempt to unite and organize the business class.

We continue to pursue this focus via the launch of MiTEX- Maharashtra's largest Trade Expo, a platform designed to bond diverse industries under one roof generating innumerable opportunities for trade. Seeking participation from a myriad of industries we are confident that MiTEX will foster the Trade, Commerce, Industry & Agriculture in Maharashtra on a National & International level.

The launch of this expo is a pioneering step in Capability building, furthering Leadership and to institute Entrepreneur seeding. MiTEX is the ideal platform for exhibitors to link and engage with an astute audience as participants will be exposed to a focused and pertinent mix of visitors, prospective buyers and opinion leaders. Maharashtra houses one of the most vibrant retail industries, manifesting a bright future in light of the youth dominated population and changing consumer lifestyles thereby providing limitless opportunities to exhibitors.

The launch of MiTEX inaugurates an inclusive platform enabling exhibitors to barter knowledge and expertise, discuss collaborations, evaluate possible synergies, and explore investment opportunities, all on a local as well as global scale.

The expo is to be held from 06th to 09th October 2023 at the Dongare Vastigruha, Gangapur Road, Nashik. I look forward to welcome all exhibitors and wish them a successful and fruitful expo

Mr. Lalit Gandhi
President
